

Withdrawal Announcement 999-377
November 30, 1999

Software Withdrawal: IBM OS/2 Warp Version 3, Warp Connect, and Warp Server Version 4 — Replacements Available

Available Formats: [PDF](#) [PostScript](#)

Overview

Effective December 31, 1999, IBM will withdraw from marketing the programs listed in the **Program Withdrawals** section licensed under the IBM International Program License Agreement.

As of December 31, 1999, you can no longer obtain these program part numbers directly from IBM. You can obtain these programs on an as-available basis through IBM authorized remarketers.

Part numbers listed in the **Program Withdrawals** section were inadvertently omitted from the referenced withdrawals dated May 1999.

Passport Advantage: Passport Advantage program/part numbers were withdrawn in the individual product withdrawal announcements.

For additional information, refer to:

- Software Withdrawal [999-123](#), dated May 11, 1999
- Software Withdrawal [999-128](#), dated May 11, 1999
- Software Withdrawal [999-146](#), dated May 25, 1999.

Replacement Product Information: These programs were replaced by OS/2® Warp Server for e-business. For details, refer to Software Announcement [299-100](#), dated April 27, 1999.
